LET US EXPLORE WHAT WE CAN BUILD TOGETHER

A conversation today.
A partnership for tomorrow.

Whether you represent an investment institution, an established enterprise or a new venture, we welcome a conversation about your interests in Bangladesh.

BUILDING LASTING VALUE TOGETHER

01 **Your Vision, Our Starting Point**

Explore our portfolio or introduce your own idea. Together, shape an opportunity around your objectives, expertise and preferred role.

02 **Connecting Capital, Expertise & Opportunity**

Connect with Bangladesh business networks, potential partners and relevant stakeholders to advance commercially sound opportunities.

03 **Clear Agreements, Shared Commitment**

Define responsibilities, transparent governance and mutually agreed commercial terms, with long-term value at the core.

CONNECTING GLOBAL INVESTMENT

With Bangladesh's potential.

Kathak Academy connects international investors, enterprises and technology partners with Bangladesh's business networks, project sponsors and relevant stakeholders - opening avenues for investment, business expansion and long-term collaboration.

We welcome proposals across all business sectors and investment scales, from individual enterprises to major development programmes. Explore our 24 selected project concepts or bring your own vision.

We also welcome financial and in-kind grants to advance inclusive social development and support disadvantaged communities.
